

## EXPERTS IN INTERNATIONAL ARBITRATION AND EUROPEAN UNION LAW

**JM BENEYTO & ASSOCIATES** is a legal boutique specialized in International Commercial and Investment Arbitration, European Union Law and Competition Law, and Public International Law. The firm is based on the professional experience of its founder, Professor José María Beneyto and the specialization of a selected team of lawyers and Of Counsels.

With the highest quality, academic reputation, integrity and dedication to the client, JM Beneyto & Associates offers the advantages of highly personalized advice, rapid adaptation to innovation and the ability to provide solutions to complex legal situations.

**JM BENEYTO & ASSOCIATES** also acts as “lawyer of lawyers” in the areas of its specialization.

### ARBITRATION

- Legal representation in domestic and International Commercial Arbitration. Ad hoc Arbitration and Institutional Arbitration under the Rules of the leading Arbitral Courts.
- Legal representation in Public International Law Arbitration and Investment Arbitration. Arbitrations involving various combinations of States, State entities, International Organizations and private parties.
- Appointment as Arbitrators or Co-counseling with international firms and collaboration with State agencies.

### PUBLIC INTERNATIONAL LAW AND INTERNATIONAL TRIBUNALS

- Legal advice and representation in the relations between States and Public International Law entities, both in contentious and non-contentious matters.
- Collaboration and legal advice to International delegations of States in Arbitration Procedures.
- Legal representation in Arbitrations concerning disputes arising out of treaties, including bilateral investment treaties and multilateral treaties, and other instruments.
- Legal representation in cases before the European Court of Human Rights and other international tribunals.

### EUROPEAN UNION LAW

- Legal advice in all areas related to European Union Law: Justice and Home affairs, Internal Market, agricultural law, fundamental rights and freedoms, taxation, banking union, consumer protection, trade with third States and external relations, among others.

### COMPETITION LAW

- Legal advice in all areas related to Competition Law.
- Administrative procedures before Spanish and European authorities of Competition.
- Representation before the European Union Institutions and agencies.
- Representation and defense before national and EU Courts.
